ORTAL®

OUTDOOR DIRECT VENT COLLECTION

Elevate your outdoor living space with ORTAL® 's Outdoor Fireplaces. Designed for elegance and built for performance, our outdoor fireplaces create a stunning focal point that adds warmth and ambiance to any setting.

ABOUT ORTAL

For more than 30 years Ortal has been the leading innovator of fireplace technologies, manufacturing luxurious and contemporary, frameless fireplaces meeting the most stringent requirements of architects, designers, builders as well as home and business owners. Ortal has built a reputation on its uncompromising quality of materials, finish, safety standards, ease of installation and end-to-end services.

DISCOVER DESIGN FREEDOM WITH OUTDOOR DIRECT VENT FIREPLACES.

Inside, Outdoors:
Bring the warmth of the indoors to your outdoor space. Choose from the ultra-realistic Wilderness Collection or our classic, Signature burner available in 4 size options and personalize your fireside experience.

Durability And Design without Compromise:
Designed to withstand harsh weather, our direct vent models feature an enclosed firebox that protects the interior from outdoor elements and protects the exterior for exhaust and odor.

Warmth & Safety with Every Season:
The double heat barrier features a micro-mesh screen over top tempered glass that allow for radiant warmth while ensuring safety both at home or in high traffic areas.

Design Without Limits:
Direct vent models do not require an overhang or heat release to enable more freedom in design and construction.

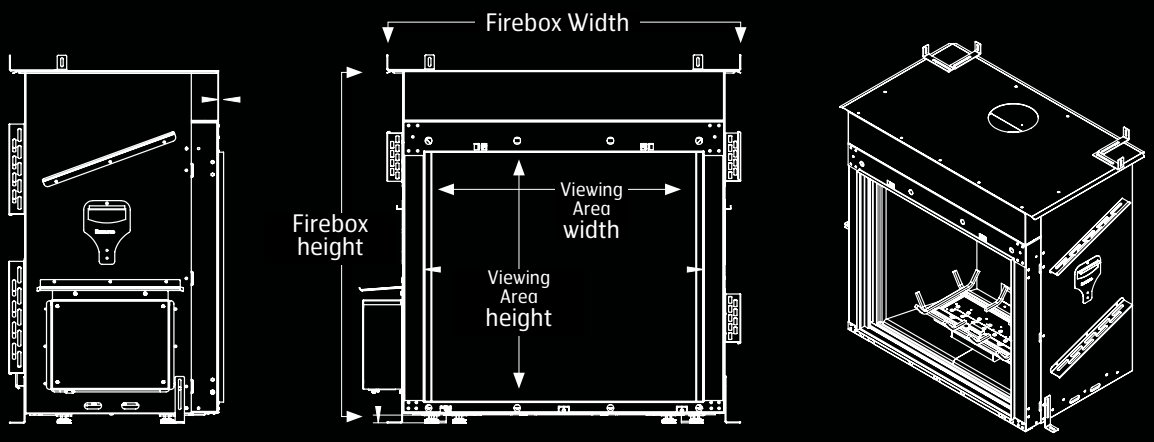

You-sability:
Choose from handheld remote or wall switch that both offer seamless control of your fireplace, even during a power outage.

VIEWING AREA DIMENSIONS

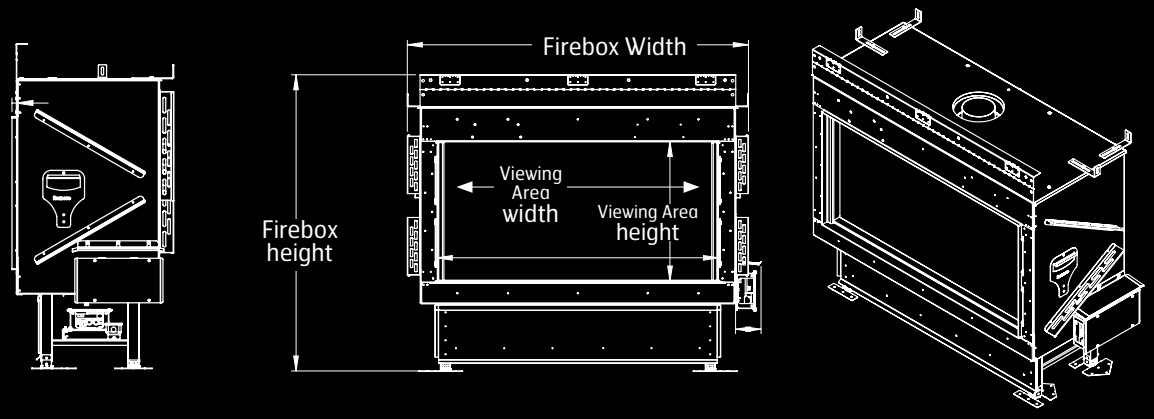

All sizes are available with Ortal's Signature Burner or Wilderness Flame-Through-Log Technology and feature a micro-mesh screen heat barrier.

Model Name	Firebox Dimensions		Viewing Area Dimensions
